

Delivering Better Value in SEND

The Local Authority would like to warmly invite parents /carers and our multiagency partners, community representatives and those with an interest to the official launch of the 'Delivering Better Value in SEND' programme, on 12th July 2023. This will be an opportunity to both network with a range of partners and organisations who will be supporting delivery of this programme as well as hearing from officers about the updates to our sufficiency plans, including the new special free school timeline.

Join us for networking and marketplace stalls from 2pm; with presentations from a range of speakers 2.30 - 3.30pm, including vital updates in the area's strategic plans for children with SEND. Opportunity for questions and views on our plans, continued networking and market place will be from 3.30 - 4pm.

To book your place via Eventbrite – please click this link:
