

# Virtual Training Offer 2024/25

## Fully funded virtual training package Embedding SLCD Interventions Kirstie Page

### Aims of the 3 CPD sessions:

- to upskill practitioners to support children who are not meeting age-related expectations with speech, language & communication development.
- to support with the identification of specific skill gaps for individual children.
- to support with the identification of need and to embed SLCD interventions into our everyday practice.

### Target Audience

This CPD is targeted at EYFS Leads, teachers and practitioners across EYFS and KS1, SENCO's and Literacy Leads.
